Letter No 8895 of 8th / 388
April 1901 from the D of Ed

The School at Kigga is in receipt of a grant of Rs 10 per mensem see pl 229 of the printed schedule just up.

A draft is submitted for favor of approval

WEB
16/4/1901

If this required (by usage) only formal sanction, the order may be passed on the responsibility of the D.I. But if more is required, we shall have to enquire & get some further info^n about the strength of the school in Kigga & whether a qualified teacher is available to at the other places. Probably the D.I. has satisfied himself on these matters. Submitted to 2nd Cl.

I think we could give the Bishop some latitude in these matters - We must not be too strict - transfer from one school to another should not affect our correspondence with the Bishop's Secretary. Kindly see, & put up

Such a list does not
seem to have been prepared

other standing order than the
GO cited above

The Madras Quarterly Return for 1st July 1900 is herewith submitted. Please see page 197 for Asst Inspectors

The question of transferring a school in one village, to another village for the same purpose the provision sanctioned for opening ~~the proposal of teachers from one school to another~~ seems to be one that requires consideration along with the question of transferring grants from one school to another

Please see letter No 9936-6 421 dy 4th May 1901 from the I.G. herewith submitted for perusal

To the 2nd Councillor Mlly 10/5

I don't know if all this info about Madras is of much use The Question may be decided on its merits It seems to me that such transfers within a district may be authorised by the I.G otherwise by Govt

If the Mysore system, the I.G may be authorised to transfer ~~grants~~ money from one school to another

A careful search has been made thro' the Registers and Indexes, but no Circl

Enquiries were also made in the Comptroller's office and in the office of the Inspector General of Education, they seem not to be aware of any standing orders on the subject and the only authority by which they are guided is that of the Government which will issue in each case of transfer on the requisition of the Inspector General of Education
